

## Congratulations

SAP SE hereby confirms that

### HR Campus AG,

has successfully completed the qualification process for SAP® Rapid Deployment solutions\* based on SAP software in the following areas:

- Applications: SFSF - HCM

and may now go to market with their Rapid-deployment solution offerings in all regions.

**Steffen Burger**  
Global Vice President  
SAP Partner Solution Center  
Global Channels & General Business

**Denis Tournesac**  
Senior Vice-President  
Global Head of Partner Operations  
Global Channels & General Business

\*SAP Rapid Deployment solutions enable low cost of implementation by providing a ready-to-consume combination of:

- SAP software: Broad portfolio coverage support cloud, hybrid and on-premise landscape
- Best Practices: Content delivery guidance and configuration for best business and best implementation practices
- Predefined services from partners or SAP at a predictable price, effectively eliminating cost overruns and project delays
