HR Campus to Provide BPO Services for SAP® SuccessFactors® Solutions in the Cloud

High-quality BPO services for SAP SuccessFactors solutions delivered by HR Campus through cloud BPO licensing

Dübendorf, Switzerland – June 1st, 2017 – HR Campus today announced an official agreement with [SAP](#) (NYSE: SAP) to provide business process outsourcing (BPO) services to customers based on SAP's leading cloud-based suite for human capital management (HCM). HR Campus will provide an affordable, ready-to-use, subscription-based offering in the cloud, enabling companies to use SAP® SuccessFactors® solutions in a managed services environment.

"We can now offer our customers an end-to-end BPO service incorporating all the benefits of SAP SuccessFactors solutions for HCM, talent management, recruiting and more," said Marek Dutkiewicz, CEO, HR Campus. "We help them benefit from the latest innovative SAP technologies combined with additional BPO services to go live quickly. This will allow our customers to focus on their business rather than their IT needs."

HR Campus will manage SAP SuccessFactors solutions through a single vendor experience for services and support. The company will also provide, beside or within the BPO service, application migration, implementation, management and support.

The offering includes an end-to-end administrative HR service and solution incorporating SAP SuccessFactors HCM Suite and SAP SuccessFactors Employee Central Payroll. This expanded cloud offering enables customers to provide their employees with a single UI for both HR and payroll, while eliminating the need for administrative and IT support through outsourcing to HR Campus.
